

## INVITATION

# Open Nordic Championships Surfski Helsingborg 29 June–2 July, 2023

Welcome to Aterra Wave Challenge and Nordic Surfski Championship 2023. Aterra has hosted the Swedish Championships twice, and 2023 will be their second international race level 4. Participants from outside the nordics are also welcome. The main course is 28 km, although there are several courses to choose from for all wind directions.

Following the ICF Ocean Racing guidelines, both AWC and the Nordic Championships will be an open-category competition. This means there will be an overall champion, as well as youth and masters categories created for those groups with at least 3 participants (U18, U23, 50–59, 60–69, 70–79 are proposed).

You do not need to pre-select a category (youth, masters, senior) upon registration.

### Program

**29 June** Registration Thursday 14:00-19:00 at Aterra Kayak Shop  
Possible downwind training 15:00 if the conditions allow

**30 June** Registration Friday 10:00-16:00 at Aterra Kayak Shop
