

Swedish Canoe Federation is looking for National Team Coach Sprint

The Swedish Canoe Federation working towards a new organization for the sprint national team. Starting during fall 2024 and aiming towards a full team and medals at the Olympics and Paralympics 2028 and 2032. A special focus will be on developing a strong crew boat programme.

We are now looking for two top coaches with high **crew boat competence**, a **good leadership** and a **strong will to develop both individual athletes as well as strong teams**. The main task is to coach athletes and crews towards new international medals, both in a short and a long term.

Together with a National Team Head Coach you form a team who is responsible for the national team. Nationally the place for training and development will be the new established elite center in the city of Jönköping. In periods a large part of the work will be done abroad with training camps and competitions.

Task assignments

- Responsible for the training process – planning, implementation and evaluation
- Coaching athletes and crews in everyday life as well as at training camps and competitions
- Regularly and from a holistic perspective follow up on athletes
- Analysis and follow-up of the training and performance process
- Responsible for ensuring that everything works out at the elite center, including equipment etc.

Qualifications

- Good ability to lead, collaborate and communicate
- High coaching competence in sprint kayaking
- High competence in crew boat paddling and methodology for developing crew boats
- Experience from coaching world class athletes and crew boats
- Good ability to analyze and evaluate training and performance for both groups and individuals
- High competence in physiology, training theory and sports psychology
- Higher education (university) within sports or similar
- English both spoken and written.
- Driving license for heavy trailer is meritorious

About the employment

- Temporary employment, 50-100 %, initially 1 year with good opportunities for extension towards the Olympics 2028 in Los Angeles.
- Start October 2024 or by agreement.
- Monthly salary according to agreement
- Apply by submitting your CV and a personal letter to asa.eklund@kanot.com before Augusti 25. Interviews and references on an ongoing basis. Appointment of the job can also take place during the application period.
